EMPLOYMENT FORMS

## Background Check Disclosure & Authorization

### Disclosure

BellVue Health PLLC may obtain a consumer report about you from a consumer reporting agency for employment purposes in connection with your application or employment. The report may include criminal history, employment history, education, professional credentials, and other information relevant to the position.

This disclosure and authorization concerns consumer reports obtained for employment purposes.

### Authorization

I authorize BellVue Health PLLC to obtain consumer reports about me for employment purposes in connection with my current application or hiring process.
