Authorization and purpose

I authorize the motor vehicle agency in the state listed above to release my driving record to BellVue Health PLLC, or its authorized screening provider, for review of my driving eligibility and safety for work-related driving. The record may include license status, restrictions, violations, and reportable driving history.

Screening provider / recipient, if other than BellVue

This authorization is for one driving-record request related to my current application or work-related driving review. It expires 90 days after I sign. It does not authorize release of medical records or unrelated personal information.

Driver signature

Date (MM/DD/YYYY)

A DMV-specific form or additional vendor paperwork may be required. For direct North Carolina DMV requests, complete the current DL-DPPA-2 release and any required verification. If a consumer reporting agency supplies the record for employment purposes, BellVue must also complete the separate FCRA disclosure and authorization process.
